

# Reproductive Medicine Associates of New York, LLP

*Where medical excellence and compassionate care unite*

**Joseph B. Davis, DO**

**Dr. Joseph B. Davis** is board certified in obstetrics and gynecology and reproductive endocrinology and infertility. He follows a comprehensive approach to patient care, and specializes in providing medical as well as surgical treatment for infertility, employing the Da Vinci robotic surgical system for the treatment of fibroids, endometriosis, and tubal damage.

Dr. Davis obtained his Doctorate of Osteopathic Medicine from Ohio University and completed his residency in obstetrics and gynecology at Akron General Medical Center. He completed his fellowship training at Albert Einstein College of Medicine. After being granted a prestigious global health research position in Geneva, Dr. Davis became a member of the Guideline Development Group for the World Health Organization where he worked to develop human rights and ethics guidelines for infertility. He serves on the National Ethics Committee of ASRM, and is a fellow of the American College of Obstetricians and Gynecologists.
