

Reproductive Medicine Associates of New York, LLP

Where medical excellence and compassionate care unite

Kimberley A. Thornton, MD

Dr. Kimberley A. Thornton is a reproductive endocrinologist and infertility specialist, as well as a board certified obstetrician and gynecologist. She performs treatments including in vitro fertilization as well as egg freezing for elective and medical indications, and is passionate about helping patients overcome infertility challenges. Dr. Thornton completed a research fellowship from the Howard Hughes Medical Institute at Florida State University. Dr. Thornton also earned her medical degree at FSU. She completed her residency in obstetrics and gynecology and subspecialty training in reproductive endocrinology and infertility at Albert Einstein College of Medicine/Montefiore Medical Center.

Dr. Thornton has published scientific abstracts and articles in peer-reviewed journals, and has presented research at national conferences. She has held leadership positions representing the state of New York for the American College of Obstetricians and Gynecologists, where she serves as a fellow, and is a member of the American Society for Reproductive Medicine.
