FEATURING: **Joseph B. Davis, DO**

Dr. Joseph Davis is a board certified reproductive endocrinologist and infertility specialist with a passion for helping couples and individuals to achieve their goals of building a family, now and in the future. Dr. Davis works with patients to address their medical, psychological, nutritional, and social needs as part of a comprehensive approach to care. He specializes in medical as well as surgical care for fertility while also addressing fertility in a holistic manner, incorporating wellness and acupuncture.

An IVF coordinator and financial specialist will be present to answer questions, and a former patient will share her story.
